ABOUT THE COLLEGE

Ch. Devi Lal College of Education was set up in 2004 by Shri Ram Jan Kalyan Shiksha Samiti to provide a good quality professional Education. The Institute was named after Chaudhary Devi Lal, a great freedom fighter, Former Chief Minister of Haryana, and Former Deputy Prime Minister of India. The institute is affiliated with Kurukshetra University, Kurukshetra, and NCTE New Delhi. The Institute provides a large variety of Learning Environments and Learning Spaces. Three courses (M.Ed., B.Ed., D.El.Ed. are offered by the college with a vision of becoming a globally recognized Institute that produces excellent teachers that would build tomorrow's world. Truth, service to society, the strength of the nation, wisdom, and honesty are the core values of the institution. All the faculty members are well qualified, experienced, and well versed with the latest development in the field of teacher education. The main emphasis is given to interactive teaching through the use of information and communication technology, workshops, symposia, seminars, etc. The institution possesses a well-equipped building spread over an area of 11 acres of land having lush green lawns, with all the necessary infrastructural facilities like spacious, well ventilated airy, and lighted classrooms, fully furnished resource centers, a well-stocked library, and seminar cum conference room, transport facilities, Wi-Fi and CCTV cameras. The institute was NAAC 'A' Grade Accredited since 2010.

ABOUT THE SEMINAR

The National Education Policy recognizes and identifies teachers and faculty as the heart of the learning process. The Policy will empower teachers of India and list out various reforms for their recruitment, continuous professional development, service conditions, etc. NEP 2020 recognizes that teachers will require training in high-quality content as well as pedagogy. By 2030, teacher education will gradually be moved into multidisciplinary colleges and universities. The minimum degree qualification for our teachers will be a 4-year integrated B.Ed. the degree that teaches a range of knowledge content and pedagogy. A new and comprehensive National Curriculum Framework for Teacher Education, NCFTE 2021, will be formulated. The framework will be developed after discussions with all stakeholders including State Governments, relevant Ministries / Departments of Central Government, and various expert bodies, and will be made available in all regional languages. This seminar aims at providing a common platform for all entire stakeholders to understand the perspective of NEP 2020 and its role in transforming Teacher Education Institutions (TEIs). The Finding of the present seminar will lead to a significant contribution to the field of Education.
